

**To LED or not to LED
That is not a question!**

Are you tired of checking the NO box every time you examine a vessel for the following items?

Let your boat owners know there are LED lights available for:

- LED all around white light (anchor light)**
- LED bow lights**
- LED flares**
- LED steaming light**
- LED stern light**

A google search for any of these items as listed will bring quick results and save boaters frustration.
