District News

-Please pass the word that once again the Vessel Examiner class is coming to PCA Fair over the weekend of September 12th and 13th. The 2-day class includes the final exam and many handouts will be provided. This class is a great bargain and an excellent opportunity for new members to get involved in the Auxiliary. The member is required to bring a copy of the VSC Manual and review the material prior to class. A copy of the VSC Manual is available for download on the D11NR Vessel Examiner website: <http://rbsafety.d11nuscgaux.info/ve.html>. Additional arrangements can be made at the class to perform the 5 VSC's to complete the qualification. The PCA flyer at: <http://ops.d11nuscgaux.info/calendar/district.html> has more information. However, if there are any questions, please have the member contact me at sumfun@juno.com.

-For Coast Guard liability insurance purposes, **PRIOR** to leaving the house for ANY VSC activity other than to participate at an organized station, **PLEASE** remember to notify a member of the flotilla leadership (FC, VFC, FSO-VE) of your planned activity. The notification could be in the form of an email, text message or a phone call. In the unlikely event of an incident, be prepared to provide proof of the notification. In addition, for the same insurance coverage per the new VSC Manual please remember, you also need to be in uniform and if boarding a vessel you need to be wearing a lifejacket.

-**PLEASE** do NOT wear boots to climb aboard a vessel to perform a VSC. Our program allows for deck shoes, white or black tennis/walking with soft soles. If this is not an option, please consider purchasing disposal shoe/boot covers available in the paint or hardware dept. at Walmart, Lowes, Home Depot, etc, a package of 6 for under \$10.

-Just a reminder that if you have NOT completed the **REQUIRED** National Vessel Examiner (VE) workshop as required by June 30, 2014, as of December 31, 2014, you are now in REYR status. Your failure to complete the required workshop by December 31, 2014, means you will have to complete the required workshop and in addition perform 2 VSC's with a qualified examiner and then submit the MT-2 to DIRAUX to be reinstated. Please go to the D11NR website: <http://rbsafety.d11nuscgaux.info/ve/ve.html> where you can find an easy to follow link to AUXLMS for the 30-minute workshop, or a 1 1/2 hr power-point presentation shown at the 2014 D/Train that can be downloaded and presented locally by a qualified instructor. If you attempt the AUXLMS version, **PLEASE** make certain you take the FULL 30-minutes!

-**VSC's ON RENTALS**-At the request of Commodore Collins, to maintain uniformity in the VSC program, moving forward, **ALL** VSC's for rental agencies that rent pwc's, fishing boats, houseboats, paddlecraft, etc. will now require a D11NR Rental Agreement with the

dealer. This program is relatively simple, straightforward, and is self-explanatory. You can find a copy of the instructions (ML-1), a sample introduction letter (ML-2), and a copy of the agreement (ML-3) on the D11NR Vessel Examiner (VE) website:

<http://rbsafety.d11nuscgaux.info/ve/ve.html> under "**VE FORMS**". These are done in Microsoft "Word" and you can tailor them for your individual needs. Please note that to participate in this program, a Program Visitor (PV) is required. However, if you are a Vessel Examiner (VE) and a current Program Visitor (PV), you can fulfill that requirement. Please print (2) copies-one for you to keep after signed by the vendor, and one for the vendor to keep after you and the Program Visitor (PV) have signed it. You should maintain your copies for the calendar year.

-A special request from the Director's office; PLEASE have the qualifying members 7038 with the 5 VSC's entered into AUXDATA by the FSO/SO-IS **PRIOR** to submission of the MT-2 to the Director's office.
